RECORD OF CHANGES

The 2009 Greene County Multi-Jurisdictional Hazard Mitigation Plan will be updated on a regular basis. All updates to the plan will be prepared and distributed by the Springfield-Greene County Office of Emergency Management (OEM). These updates may be distributed or made available digitally as deemed appropriate the OEM. When an update is received, all affected pages should be replaced and noted below.

Change Number	Date of Change	Section and Pager Numbers
1	02/8/2011	ToC – updated incorrect page numbers.
2	4/18/2011	Revised page order and page numbering system for entire section 3 to allow for easier navigation between hazards. Current plan designated as V1.2 following this change. Updated mitigation project status chart.
3	6/29/2011	Minor grammatical changes throughout section 2. Updated mitigation project status chart.
