

1 **ARTICLE XX M-2 GENERAL MANUFACTURING OR INDUSTRIAL DISTRICT**

2
3 A. Statement of Intent:

- 4
5 1. This district is intended to provide for manufacturing and industrial development of a more general and less
6 restrictive nature than in the M-1 District in those areas where the relationship to surrounding land use
7 would create fewer problems of compatibility and would not necessitate as stringent regulatory controls.
8
9 2. Certain offensive uses permitted in this district must observe greater setback and yard requirements when
10 adjacent to residential areas.
11

12 **Section 1. Principal Permitted Uses**

13
14 A. Any use permitted in an M-1 District or permitted in certain parts subject to Board (of Zoning Adjustment)
15 authorization or which are not prohibited in the M-2 District by this Article or by any other law or order.
16

17 B. Any of the following uses, when located not less than three hundred (300) feet from any R District, and not less than
18 one hundred (100) feet from any other District, except an M-1 District.
19

- 20 1. Acetylene manufacturing in excess of fifteen (15) pounds pressure per square inch.
21
22 2. Asbestos manufacturing.
23
24 3. Automobile assembly.
25
26 4. Bleaching, cleaning and dyeing of large scale production.
27
28 5. Boiler shops, machine shops, structure steel fabricating shops, railway care or locomotive shops, including
29 repair, metal working shops employing reciprocating hammers or presses over twenty (20) tons rated
30 capacity.
31
32 6. Brewing or distilling of liquors.
33
34 7. Brick, pottery, tile and terra cotta manufacturing.
35
36 8. Bulk station.
37
38 9. Candle or sperm oil manufacturing.
39
40 10. Coal yards.
41
42 11. Cooperage works.
43
44 12. Dextrine, starch or glucose manufacturing.
45
46 13. Disinfectant, insecticide or poison manufacturing.
47
48 14. Dye and dyestuff manufacturing.
49
50 15. Enameling, lacquering or japanning.
51
52 16. Emery cloth or sandpaper manufacturing.
53
54 17. Felt manufacturing.
55
56 18. Flour or grain mill.

19. Forge or foundry works.
20. Gas generation or storage for illumination or heating.
21. Grain drying or poultry feed manufacturing, from refuse, mash or grain.
22. Hair or hair products manufacturing.
23. Lime or lime products manufacturing.
24. Linoleum, oil cloth or oiled goods manufacturing.
25. Match manufacturing.
26. Meat packing; but not stockyards or slaughterhouses.
27. Oil, paint, shells, turpentine, varnish or enamel manufacturing, or the grinding of colors by machine.
28. Paper and pulp manufacturing.
29. Perfume manufacturing.
30. Pickle, sauerkraut or sausage manufacturing.
31. Plaster manufacturing.
32. Poultry slaughterhouse, including packing and storage for wholesale.
33. Printing ink manufacturing.
34. Radium extraction.
35. Sandblasting or cutting.
36. Sawmill, the manufacture of excelsior, wood fiber or sawdust products.
37. Shoddy manufacturing.
38. Shoe blacking or polish or stove polish manufacturing.
39. Soap manufacturing.
40. Steam power plant, except where necessary to a permitted principal use.
41. Sugar refining.
42. Tar distillation or manufacturing.
43. Vinegar manufacturing.
44. Wire or rod drawing-nut, screw or bolt manufacturing.
45. Yeast manufacturing.

- 1
2
3 C. Any other use which is determined by the County Commission to be of the same general character of the above per-
4 mitted uses.
5
6 D. Adult entertainment establishments and uses as regulated in Article IV, Special Provisions, Section 34 Adult
7 Entertainment Establishments.
8

9 **Section 2. Conditional Uses Requiring Board of Zoning Adjustment Authorization**

- 10 A. Livestock operations in conformation with Article IV, Section 31.
11
12 B. Sewage disposal plants.
13
14 C. Storage, drying, cleaning of iron, junk, rags, glass, cloth, paper or clippings, including sorting, refining, bailing,
15 wood pulling and scouring.
16
17 D. Any other use which in the opinion of the Board (of Zoning Adjustment) is of a similar character to these specified.
18
19 E. Any of the following uses shall be prohibited, unless located not less than six hundred (600) feet from any R District,
20 and not less than two hundred (200) feet from any other district except an M-1 District; and unless authorized by the
21 Board (of Adjustment) as provided in Article XXIII subject to such conditions and requirements as may in the
22 opinion of the Board (of Zoning Adjustment) be necessary to protect adjacent property and prevent conditions
23 which may become noxious or offensive.
24
25 1. Ammonia, chlorine, or bleaching powder manufacturing.
26
27 2. Animal black, lamp black, bone black or graphite manufacturing.
28
29 3. Celluloid or pyroxylin manufacturing, or explosive or inflammable cellulose or pyroxylin products
30 manufacturing or storage.
31
32 4. Cement, lime gypsum or plaster of paris manufacturing.
33
34 5. Creosote manufacture or treatment.
35
36 6. Distillation of coal, petroleum, refuse, grain, wood or bones, except in the manufacturing of gas.
37
38 7. Explosives manufacture or storage for small arms ammunition.
39
40 8. Fertilizer, compost manufacture or storage.
41
42 9. Fish curing, smoking or packing, fish oil manufacturing or refining.
43
44 10. Garbage, offal, dead animals, refuse, rancid fats, incineration, reduction or storage, salvage yards.
45
46 11. Glue manufacture, size or gelatin manufacture where the processes include the refining or recovery of prod-
47 ucts from fish, animal or offal.
48
49 12. Petroleum or inflammable liquids production, refining and storage above ground.
50
51 13. Rubber, caoutchouc or gutta percha manufacture and treatment from crude or scrap material.
52
53 14. Slaughtering of animals or stockyards.
54
55 15. Smelting of ferrous or non-ferrous ores.
56
57 16. Storage, curing or tanning of raw, green or salted hides and skins.
58
59 17. Sulphurous, sulfuric, nitric, picric, carboic or hydrochloric or other corrosive acid manufacture.
60
61

1 18. Any other use which in the opinion of the Board of Zoning Adjustment is of a similar character to those
2 specified above.
3

4 **Section 3. Accessory Uses**

- 5
6 A. Accessory uses and structures permitted and as regulated in the M-1 District except as hereinafter modified.
7
8 B. Other uses and structures customarily accessory and incidental to a permitted principal use, except of a type which is
9 permitted only subject to Board (of Zoning Adjustment) authorization.
10
11 C. Any other use when an incidental and necessary accessory use to a permitted principal use, when authorized by the
12 Board (of Zoning Adjustment) as provided by Article XXIII, subject to such conditions and requirements as may, in
13 the opinion of the Board (of Zoning Adjustment), be necessary to protect adjacent property and prevent conditions
14 which may become noxious or offensive.
15

16 **Section 4. Required Conditions**

- 17
18 A. The requirement that certain business, services or processing shall be conducted within a completely enclosed
19 building shall not apply to any principal use permitted under Article XVII in the M-1 District.
20
21 1. Any such use may be conducted in the M-2 District within or without a building or enclosure, subject to any
22 applicable distance limitations set forth in Article XVII.
23
24 B. All junk or salvage yards shall be enclosed by a solid board fence or wall not less than ten (10) feet high of new
25 material and well maintained.
26

27 **Section 5. Prohibited Uses**

- 28
29 A. Dwellings and residences of any kind,
30
31 1. including motels and trailer parks and schools, hospitals, clinics and other institutions for human care,
32 a. except where incidental to a permitted principal use;
33
34 2. provided, however, that any of the aforesaid uses legally existing in the M-2 District at the time of adoption
35 of the Regulations, or any amendment thereto, shall not be classified as a non-conforming use as defined in
36 Article I.
37
38
39 B. No use shall be permitted or authorized to be established or maintained which, when conducted in compliance with
40 the provisions of the Regulations and any additional conditions or requirements prescribed by the Board (of Zoning
41 Adjustment), is or may become hazardous, noxious or offensive due to the emission of odor, smoke, cinders, gas,
42 fumes, noise, vibration, refuse matter or water carried waste.
43
44 C. Any use which produces more than one thousand five hundred (1500) gallons of wastewater per day without being
45 connected to a public sewer system.
