Earlier today, Greene County detectives located and arrested a male suspect they had been looking for since Monday evening, (24 May, 2010) after he fled on foot from a car stop and pointed a handgun at a deputy. 25 yr. old Patrick J. Field was apprehended today as he stood in the street talking to a news crew from a local television station.

After Monday's incident in northern Greene County, Field had most recently been seen in the 10,000 block of N. Farm Road 165 last night, again armed with a handgun. As deputies responded into the area, Field fled on foot into the woods and fired one shot as deputies were searching the area. Field had 2 active warrants for assaults, and another felony warrant was issued earlier today for Resisting Arrest. Field is currently being held in the Greene County jail with a combined total bond of \$27,000.
